CONSULTATION

Prior to signing your contract, you will meet Jeremiah or speak on the phone. At this time you will establish the best package based on your needs. You will receive a wedding agreement that lists the total amount due. 50% non-refundable deposit is required for booking.

ENGAGEMENT SESSION

At the time of booking, you will tentatively schedule a time for your engagement session. There are some great locations we can suggest but would love to meet you at a location significant and special to the two of you! This session will ease your worries for your wedding day photos.

WEDDING DAY

The 'day of' goes by like a flash! Jeremiah will coach you through setting up shots based off of a 'shot list' that he will have you complete prior to your wedding day. He will hustle to make sure you stay on schedule and assist whenever necessary to help move things along for you.

PREVIEWS

The day after your wedding, you will receive 10-15 preview photos. These will be emailed to you to enjoy while we edit your wedding album!

WEDDING COLLECTION

Within 2-3 months of your wedding day, you will receive your wedding collection. This is the moment you get to re-live your wedding day!
